

CHAFFETZ LINDSEY LLP

ABOUT CHAFFETZ LINDSEY

A DIFFERENT KIND OF LAW FIRM.

We created Chaffetz Lindsey in 2009 to offer a new approach to litigation and arbitration. We have the expertise and experience found at large New York law firms. But unlike most of our competitors, ***we handle only disputes.*** We practice from a single office in New York, with smaller teams and significant partner involvement. These choices help us avoid conflicts of interest and keep down costs. The result is a firm purpose-built for today's market and dedicated to winning your cases cost-effectively.

Chaffetz Lindsey focuses on three areas:

- **Commercial Litigation**
- **International Arbitration**
- **Insurance and Reinsurance Dispute Resolution**

We have a record of success in each of these areas. We enjoy our work, and our clients enjoy working with us.

WHAT SETS US APART

FOCUSED. FLEXIBLE. EXPERIENCED.

PARTNER INVOLVEMENT AT EVERY STAGE.

Our partners dig deep into your case. We staff our cases leanly, and our partners work closely with our experienced associates in every phase of your case.

FLEXIBLE, TAILORED PRICING.

Our structure and culture protect our client's bottom line. We can bill at competitive hourly rates or on a variety of alternative arrangements including fixed fees, staged fees, discount/success fees or, in appropriate cases, full contingent fees. More than half of our cases involve alternative fee structures.

COLLABORATIVE AND COMMERCIAL APPROACH.

Early planning is the key to cost-effective litigation and arbitration. From the start of each engagement, we work closely with you to agree on a case analysis, strategy, team, work plan, and budget. We do not take steps outside of our agreed plan without your prior authorization. Our collaborative approach avoids surprises concerning results and costs.

GLOBAL REACH

AN INTERNATIONAL PERSPECTIVE.

We handle a wide variety of domestic disputes for US-based clients, but we are also unique among boutique firms in the ***international perspective*** and ***global connections*** we offer to our clients.

- We regularly handle disputes arising from cross-border transactions and involving a range of global industries.
- We are sensitive to and knowledgeable about cultural differences, with deep experience in Latin America, Europe, Asia, the Middle East, and Africa.
- From our New York base, we work with premier law firms across the world, often as co-counsel.
- Our international arbitration team is consistently ranked among the top global practices, and our partners are deeply involved in the leading arbitration institutions.
- Our lawyers speak a variety of languages, and several have trained and practiced in jurisdictions outside the US.
